GRANT GUIDELINES & REQUEST FOR APPLICATIONS

Background & Principles

NTIA State Digital Equity Capacity Grant's Overarching Goal
Support State Digital Equity Plan (SDEP) Implementation through:

- Focus on Covered Populations
- Long-lasting & Meaningful Change
- Measurable Implementation Strategies
- Stakeholder Engagement

California Digital Equity Program (CalDEP)

Advancing **SDEP Goals 2 & 3 + State Policy Outcomes**

SDEP Goals

- **Goal 1:** All Californians have high-performance broadband available at home, schools, libraries, and businesses.*
- **Goal 2:** All Californians have access to affordable broadband and necessary devices.
- **Goal 3:** All Californians can access training and support to enable digital inclusion.

*Goal 1 and its corresponding objectives will be addressed through the continued build-out of existing Broadband for All investments and Broadband Equity, Access and Deployment (BEAD)-funded projects.

GRANT GUIDELINES & REQUEST FOR APPLICATIONS

Focus

Covered Populations

1. Individuals living in covered households
2. Aging individuals (60+)
3. Incarcerated individuals
4. Veterans
5. Individuals w/ disabilities
6. Individuals w/ language barriers
7. Members of racial or ethnic minority groups
8. Individuals who primarily reside in rural areas

SDEP 7 Key Activities

1. Complete BB4All infrastructure investments
2. Convene digital equity stakeholders
3. Refine digital equity data and maps
4. Develop a digital equity capacity subgrant program
5. Fund State-managed digital inclusion programs
6. Develop digital inclusion tools & best practices
7. Promote low-cost service offers & subsidy programs

Outcome Areas

1. Education
2. Health
3. Digital Literacy and Inclusion
4. Essential Service, Accessibility, & Civic Engagement
5. Workforce & Economic Development
6. Tribal Collaboration

Purpose & Goals

Through the subgrants, CalDEP will focus on:

- Fund entities to implement the Statewide Digital Equity Plan.
- Address digital equity barriers at local, regional, and state level.
- Develop ecosystems and increase capacity.
- Provide digital inclusion funding to trusted messengers.
- Allocate funding across every county.
- Encourage statewide innovation.

Allowable Uses of CalDEP

- Develop local digital equity plans
- Broadband adoption campaigns
- Digital navigation services
- Digital literacy and skills training
- Targeted device distribution
- Workforce development training and apprenticeships

*RFA Section 7.2 Funding Restrictions

Prohibition on Construction and Infrastructure Projects

GRANT GUIDELINES & REQUEST FOR APPLICATIONS

Eligible Entities & Requirements

1

Political
subdivision,
agency, or
instrumentality
of the State

2

Indian Tribe or a
Native Hawaiian
organization

3

Foundation,
corporation, institution,
or association
(that is not-for-profit entity
and not a school)

4

Community
anchor
institution

5

Local
educational
agency

6

Entity that carries
out a workforce
development
program

7

Partnership
between any of
the entities
described in
1 to 6

8

Regional
Broadband
Consortia
(if they belong to another
Eligible Entity category)

Must have an active UEI from SAM.gov and EIN from the IRS, and submit more than one Letter of Intent/Support.

GRANT GUIDELINES & REQUEST FOR APPLICATIONS

Funding Tracks

Two funding tracks designed to focus on regional, local & targeted statewide **ecosystem development**.

Track 1: Regional/Local Ecosystems (Planning + Capacity / \$43 M)

- Subgrants to:
 - 1) Develop and refine regional and local digital equity plans
 - 2) Provide capacity to implement digital equity activities directly or through 2nd-tier subgrants
- Formula allocation per county geographic boundary
- Will only award one application per county funding allocation. Encourage one Lead Applicant with partnerships per county boundary
- Lead Applicant may also partner with entities across multiple counties to submit one regional application for multiple county funding allocations
- Lead Applicant may make 2nd-tier subgrants to other Eligible Entities.

Track 2: Targeted Statewide Ecosystems (Development, Planning, + Innovation / \$7 M)

- Subgrants for a specific:
 - Outcome Area, or
 - Covered Population
- Plans to only award the highest scoring application for a given Outcome Area or Covered Population
- Must include a plan to support, coordinate, or share best practices with Track 1 Subgrantees
- Lead Applicant may make 2nd-tier subgrants to other Eligible Entities.

GRANT GUIDELINES & REQUEST FOR APPLICATIONS

Track 1 County Allocation Formula

Formula allocations per county geographic boundaries.

Digital Equity Act State Allocation Formula

50%: size of total population within the state

25%: size of total Covered Populations within the state

25%: comparative lack of broadband availability & adoption relative to other states

Every state is ensured a minimum allocation of **0.5%** of total funding pool.

CalDEP Track 1 County Allocation Formula

75%: size of total Covered Populations within county geographic boundary

25%: comparative lack of broadband availability & adoption relative to other county geographic boundaries

Every county geographic boundary is ensured a minimum allocation of **0.5%** of total funding pool.

Updated Budget Allocation:

- 13% increase for entire Track 1 pool
- 14% avg increase for counties
- \$25 K increase in minimum allocation

GRANT GUIDELINES & REQUEST FOR APPLICATIONS

Application Package

Main application components highlighted below. Refer to RFA and Application Portal for full list of required components.

Application Form	<ul style="list-style-type: none">• Main application form and narrative questions.• Required information can be found in RFA and Application Guidance Workbook for reference.• Must be completed in Application Portal.
Evidence Certifying Eligible Entity Status	<ul style="list-style-type: none">• Examples of documents include 501(c)(3) designation, organization charter, etc.• Refer to <i>List of Example Documents Certifying Eligible Entity Status</i> for examples
Budget Form	<ul style="list-style-type: none">• Template for detailing budget information.• Must be uploaded in Application Portal.
Partnership Form	<ul style="list-style-type: none">• Template for detailing information for each partner or supportive stakeholder.• Must be uploaded in Application Portal.
Letters of Intent / Letters of Support	<ul style="list-style-type: none">• Letters for partners and stakeholders to express intent to partner or support for the application.• More than one letter is required.• Must be uploaded in Application Portal.
Standard Federal Financial Assistance Forms and Documentation	<ul style="list-style-type: none">• CD-511 Certification Regarding Lobbying; LLL – Disclosure of Lobbying Activities (if applicable); NICRA (if applicable)• Must be uploaded in Application Portal.

GRANT GUIDELINES & REQUEST FOR APPLICATIONS

Application Scoring: Track 1

Minimum Requirements

- Contains all required information and submitted by the deadline
- Verified Eligible Entity with active UEI
- More than one Letter of Intent/Support from partners or stakeholders within the geographic scope of the application (county or multi-county region)

Evaluation Metrics

Need, Purpose, and Benefits (Up to 30 pts)

- Plan for reaching Covered Populations within the county/region, including municipalities, unincorporated areas, and rural areas
- Prioritizes Covered Households and maximizes opportunities for intersectionality, or to serve those from multiple Covered Populations
- Ability to demonstrate support from regional/local digital equity ecosystem through Letters of Intent or Letters of Support

Strength of Applicant's Organizational Capacity (Up to 30 pts)

- Lead Applicant's experience with managing large initiatives, managing federal or state grants, and making grants or subgrants to other organizations (if proposed)
- Applicant Team's experience in serving Covered Populations in specified county or multi-county region
- Applicant Team's experience in digital equity or digital inclusion planning or programming
- Robustness of partnership strategy presented, including diversity and regional/local reach of partners and stakeholders

Strength of Proposed Timeline and Budget (Up to 30 pts)

- Soundness of proposed activities
- Realistic timelines & milestones
- Feasible & efficient budget
- Sustainability and likelihood of long-term impact

Application Administration (Up to 10 pts)

- Thoroughness of application
- Compliance with application instructions

GRANT GUIDELINES & REQUEST FOR APPLICATIONS

Application Scoring: Track 2

Minimum Requirements

- Contains all required information and submitted by the deadline
- Verified Eligible Entity with active UEI
- More than one Letter of Intent/Support from partners or stakeholders across the state

Evaluation Metrics

Need, Purpose, and Benefits (Up to 30 pts)

- Justification for targeted statewide ecosystem
- Addresses digital equity needs and barriers for the specified Covered Population or Outcome Area
- Number of Covered Populations served & individuals within each that will benefit
- Effectively advances SDEP Goals and Objectives for Covered Populations
- Benefits Covered Populations in diverse regions of the state
- Ability to demonstrate support from the statewide digital equity ecosystem through Letters of Intent or Letters of Support

Strength of Applicant's Organizational Capacity (Up to 30 pts)

- Lead Applicant's experience with managing large initiatives and managing federal or state grants
- Applicant Team's experience in serving Covered Populations in diverse regions of the state
- Applicant Team's experience in digital equity or digital inclusion planning or programming
- Robustness of partnership strategy presented, including diversity and statewide reach of partners and coordination with Track 1 Subgrantees at regional/local levels

Strength of Proposed Timeline and Budget (Up to 30 pts)

- Soundness of proposed activities
- Realistic timelines & milestones
- Feasible & efficient budget
- Sustainability and likelihood of long-term impact (including through innovation and ability to leverage additional funding)

Application Administration (Up to 10 pts)

- Thoroughness of application
- Compliance with application instructions

Application Portal

California Digital Equity Program (CalDEP)

California ALL Broadband for All

Welcome to the California Digital Equity Program (CalDEP) Application Portal!

The California Digital Equity Program (CalDEP) is a subgrant program that will provide funding to statewide, regional and local entities to conduct activities to support implementation of the State Digital Equity Plan (SDEP).

Please read the instructions carefully before starting your application.

- All applications for CalDEP must be submitted via this Application Portal. CDT will not review any applications submitted via other formats or channels.
- This Application Portal uses the Submittable system. You will need to create a free Submittable account or sign in with Google or Facebook credentials to submit.
- The form will automatically save your progress. Alternatively, there is a "Save" button at the bottom of the page. You may [return to the draft](#) at a later date to finish filling out the form.
- Please note that applicants will not be able to initiate changes to their application after submission. CDT will reach out to applicants for during the review process if we require any additional information or clarification to your application.
- The Application Portal works best on Google Chrome, Firefox, and Safari. Internet Explorer is not supported. Please make sure you are using a supported browser.
- CDT may follow-up with you about your submission by email. Please be sure to [safely](#) notification emails from Submittable and check the email you used to sign up for your Submittable Account regularly.

CalDEP Questions?

If you have any programmatic questions relating to CalDEP, please refer to the [CDT CalDEP page](#) or contact CalDEP@state.ca.gov.

Technical Questions?

If you have any technical questions related to using the Application Portal, please check out Submittable's [Submitter Resource Center](#) or contact [Submittable Customer Support](#).
