Capital Region: 1,650 total miles

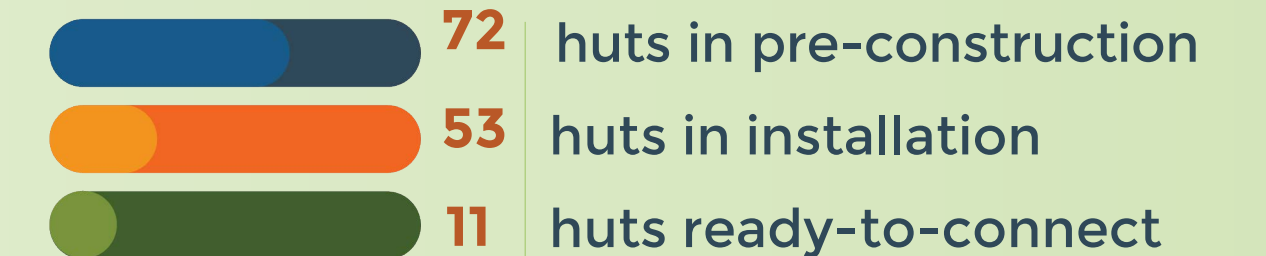

Southern Region: 1,262 total miles

Central Valley Region: 1,978 total miles

Huts: 136 total

3. Spotlight

California's Middle-Mile Broadband Network (MMBN) took a major step forward, nearly tripling its operational reach and officially opening to customers ready to connect to the MMBN. The network has grown to nearly 1,250 operational miles, now stretching from the Bay Area through Los Angeles and up Highway 395 to the Oregon border.
